HUCKLEBERRY FINN TOM SAWYER ABE LINCOLN

The boyhood of Abe Lincoln was as full of joyous adventure as that of either of Mark Twain's famous characters. In "The Lincoln Cycle" Benjamin Chapin pictures the juvenile days of this tremendously appealing figure and provides a picture of boyhood that will rank in popularity with those of Huck and Tom. A rare treat for every red blooded boy.

Two Men and Child Found at Staten Island

Three bodies were washed up on the shores of Staten Island yesterday afternoon. The first was that of Victor Peters, second officer of the steamship Sutherland, tied up at St. George. He had been missing since Thursday night. It is supposed that he fell overboard while attempting to board his vessel. The body of Martin Coyne, seven years old, an inmate of St. Joseph's Home, at Richmond Beach, was found on the beach of Arbutis Lake, at Huguerot. The child had been missing since Wednesday evening. It is supposed that he was drowned while playing.

The third hody is that of an uniden-

ing.

The third body is that of an unidenbia University officers' reserve corps.

present the first of every red blooded boy.

IERY DAY GLOSE

The third body is that of an unidentified man twenty-eight years old, fark complexion, with short black must have a shore at Simonson Avenue, and the shore at Simonson Avenue, and the
